RE: SwimON compassionate exemption decision to Provincials March 2-5

Dear Ontario clubs,

Due to an emergency pool closure, Swim Nova Scotia's provincial championships had to be relocated and modified to an extent that some of their athletes could not be accommodated to compete.

Swim Nova Scotia contacted Swim Ontario to ask for entry eligibility into the Swim Ontario Spring Provincials & AA Meet.

Swim Ontario has granted an exemption on compassionate grounds to the "Based on the Out of Province Entries" restriction clause.

This means that the athletes from Nova Scotia teams that are being granted permission to compete will be eligible for finals and awards.

We trust that Swim Ontario teams competing will value the added competition.

Also note that the date to post Psych Sheets has now changed to Friday, February 24, 2017 at noon. Details on the competitions can be found on following webpage
