PIPEDA Form for Officials

In order to clarify the registration process for Officials across the country, Swimming Canada has provided a [PIPEDA Consent Form](#) (Privacy Policy Compliance Form) for officials that indicates what will be collected and how it will be used. If you have consent with the original form, Swimming Canada has indicated this is sufficient and satisfies PIPEDA and does not need to be redone. We ask clubs to please use this form *moving forward* with their registrations for officials. Also note that the links in previous communications will link to the original version. Please use this link when sending emails to your officials
