Shop & Support – The No-Brainer Fundraiser

“This program is truly the best fundraiser. We can raise funds for our club through our grocery and gas purchases, things we do every day. Best of all, there’s no cost!”
- Debbie, supporter since 2007.

Shop & Support is an exciting and innovative way to help your swim club fundraise by using shopping and gift cards at over [250 brand name retailers](#) across Canada, including all major grocery stores, gas stations, restaurants, entertainment hubs, specialty retailers, travel agencies, and more! By using Shop & Support gift cards instead of cash for everyday purchases, up to 15% of each dollar spent will become instant fundraising profit. Get started today, and join thousands of groups who account for over \$4 million dollars in total funds raised.

This program is also a great way to raise money during the summer months, since supporters can place orders online through our user-friendly portal and receive shipments right to their doorstep! What better way to plan ahead for next season’s pool time, travel expenses, equipment and more!

Visit shopandsupport.ca or call toll free 1-866-387-8073 to instantly set up and customize your Shop & Support Fundraising Program. Be sure to mention that your club is a part of Swim Ontario!!
