Club Administration Info

Permission to Travel Forms

A reminder that there are still a number of clubs that are not submitting the 'Permission to Travel' forms when attending meets outside of the Province of Ontario. It is extremely important to submit these forms at least one week prior to departure to ensure that we adhere to our insurance regulations. These forms can be found on the Swim Ontario website under club services and forms.

Post Meet Reports/Gold Bonus

Please note that any changes made to your results uploaded to the SNC site, also change the total owing for gold bonus. I would urge you to view the 'post meet reports' under the invoice tab on the SNC site to confirm the exact amount owing for gold bonus. There are a number of clubs that will see there is a balance owing for specific meets that have had edits in their results. Please remit this payment with a future payment to Swim Ontario.

2009-2010 Swim a Thon

There are a number of clubs that Swim Ontario has issued reminders and/or requests for additional/missing information. If this information is not received as soon as possible, tax receipts will not be issued to these individual clubs and their swim a thon packages will be returned unprocessed. If you are currently waiting for your swim a thon exchange cheque for the 2009-2010 season, it may be there are issues with your submission. Please contact Victoria Corrigan at your earliest convenience to assist you in clearing these matters allowing us to process your package and provide tax receipts.

Volunteer Registration

Volunteer registration is once again available on the SNC registration system. Clubs are asked to please register all their club Executive Volunteers ASAP.
