Club Administration Info

Swim Ontario Insurance Certificates

All new insurance certificates have been mailed express post to the club address as posted by your club on the SNC site. These certificates confirm your insurance coverage with Swim Ontario for General Liability as well as Directors and Officers Liability coverage. Many municipalities across the province request this document as proof of coverage. Our insurance coverage is bound to our policies and procedures. Failure to adhere to either may result in revocation of club coverage.

Haven't received your copy? There have been a number of certificates returned to us. Swim Ontario cannot express how important it is for each club to ensure that their contact information is accurate on the SNC as well as the Swim Ontario website. Please update the information and contact Swim Ontario for a copy of your certificate.

Your immediate attention to this matter would be greatly appreciated.

Swim a Thon

There are still a few clubs that have incomplete 2009 Swim a Thon packages. In order to have your tax receipts issued, it is extremely important to ensure that all necessary information has been submitted to the Swim Ontario office. Please email or fax the 2010 order form as found on our web site to the Swim Ontario office.
