Swim Ontario is pleased to offer the following SW101 Workshops with tentative dates and locations in: Etobicoke (September 24-26), Kingston (October 22-24), Barrie (October 29-31) with more to come. Course registration can be found [HERE](#)

Reminder of Competitive Coach Registration

Coaches as you are all aware the NCCP program has been under a substantial transition for some time. Please note the following amendment to the Swim Ontario Competitive Coach Registration [HERE](#).

CSCTA & SNC Coach Registration Requirements

The CSCTA and SNC have reached a mutual agreement to develop a procedure in which all coaches will be able to register as members of SNC and the CSCTA in one electronic on-line registration location. More details from SNC and CSCTA will follow once we are informed. A reminder that registration for the 2010 - 2011 season will begin on September 1, 2010. Registration will also be done through a new one stop registration system with Swimming Canada.

Please do not register prior to this date. All registrations processed before September 1 are considered registration for the 2009-2010 season.

Word of the Month – Team Work

It is amazing how much you can accomplish when it doesn't matter who gets the credit. Click [HERE](#) to read more about Team Work.

Club Administration Info

Club Membership Reminders

Clubs are asked to remember that 1) there will be no sessional swimmer category for the 2010-2011 season and 2) full home addresses are required for swimmer registration. Click [HERE](#) for more detailed information.

Important Reminder Re: Swim A Thon

A friendly reminder that clubs must submit the **TOTAL** funds raised for swim a thon for the 2010 season. Your 5% administrative fee will only be processed on the grasplit total. Failure to comply with this will result in the failure of having your tax receipts printed. Should you have any questions please contact [Victoria](#)

Gold Bonus Invoices

Please take the time to peruse through the link on SNC under 'Invoices'. You can now review any gold bonus fee's that are payable to Swim Ontario. This site will also indicate if there are any late penalty fees owing as well. We trust that you will find this feature a convenient source to view fee's owing whether they are registration, coach registration or gold bonus. We urge clubs to review this new feature as there are a number of clubs with outstanding gold bonus fee's which are now accumulating late penalty fees.
