### Permission to Travel

As stated in our Club Manual, all member clubs must inform Swim Ontario of their intent to travel outside the province or country. Please ensure that you submit your Permission to Travel form to the Swim Ontario office a minimum of 10 days prior to departure. Failure to do so becomes an insurance issue should anything happen.

### Merchandise Orders

In order to expedite the shipping of merchandise, please visit the Swim Ontario website under club services and forms to find your merchandise order form. These forms can be faxed to 416-426-7356 and the staff at Swim Ontario will be happy to ship your order as expeditiously as possible.

### Insurance

Please note that your insurance certificates are valid until December 1<sup>st</sup>, 2010. We ask that you please keep a copy of your certificate on hand as municipalities/facilities will request a copy showing proof of insurance. New insurance certificates will be mailed to the individual clubs as soon as they are received in the Swim Ontario office from our insurance carrier for the following year.

### Gold Bonus

The SNC site has now been updated to allow you the ability to review any outstanding gold bonus payments. A list of gold bonus invoices can be viewed under the 'invoice' tab on the SNC site. Gold bonus is payable within 14 days of completion of meet. A \$25 per month late penalty fee will be applied to all outstanding invoices and will be reflected on the SNC site.
