Sanction Process Fee's 2011-12

A number of clubs have chosen to provide Swim Ontario their credit card information to process the \$30 sanction fee to prior to obtaining final sanction status. For the new 2011-2012 season, you must re-submit the credit card number you would like us to use along with a brief email to Victoria@swimontario.com providing authorization to do so.

Insurance Certificates – Additional Insured

A very common request is adding an "additional insured" to your certificates of insurance. In order to avoid delays in receiving these in a timely manner, please ensure you have accurate (the exact wording) information prior to submitting your request to Swim Ontario. Thanking all clubs in advance for your compliance.

Gold Bonus Payment

Although Swim Ontario may have your club credit card information on file, it is the clubs responsibility to contact Swim Ontario authorizing us to process gold bonus payments to your credit card after each sanctioned event. Please review the SNC site under invoices to confirm whether there are any outstanding gold bonus fee's.
